Defford Autotest Sunday 7th December 2025

Each competitor will have three attempts at each course; their fastest two runs will count towards their results. In the event of a tie, the fastest run on the first course will determine the tie, then the fastest run on the second course etc. until the tie is resolved. To be classified as a finisher a competitor must start at least two runs of all courses. (Only one run of the final course if the event is cut short). Competitor may be required to stop within the bounds of a control box.

14. Marking and penalties will be as follows.

Time taken completing the course - **Actual time taken**

Touching a cone or barrier or any other course marker - **5 seconds per offence**

Not stopping astride the finishing line - **5 seconds**

Not Stopping in a control box - **5 Seconds**

Taking an incorrect route on any course - **Maximum time** (however, returning to the point of departure from the correct route and then completing the route correctly will not be penalised, except as immediately below)

Completing a course in a time exceeding the maximum - **Maximum time**

Not stopping immediately on deployment of the STOP signal - **Maximum time**

The Maximum time is the quickest time in class for that course plus **twenty seconds**.

15. The courses will be depicted by cones or stakes/poles and marker tape. Course diagrams will be in the competitor's pack, which will be issued after successful completion of signing on. Pylons or cones may be less than a metre high.

Driving behaviour of all competitors will be observed at all times. Reckless, inconsiderate, dangerous behaviour, or exceeding the site speed limit will result in the exclusion of the competitor concerned. We will not allow foolish behaviour to jeopardise our use of this venue. Please co-operate in this regard.

16. The starting signal will be "In your own time". Timing will be by handheld devices. Tests will be timed to the previous tenth of a second. Timing will start as the car moves away from the timing start line and stop when the front wheels pass the finish line.

17. Please ensure the vehicle is properly silenced to comply with NCR 7.8.2 (88dB at 4,500 rpm, measured from 2Metres).

18. The STOP signal may be displayed because of an obstruction on the course, whether this be object or personnel. A competitor must stop immediately on deployment of the STOP signal and a re-run will be allowed. The STOP signal will be demonstrated at the driver's briefing. All other National Competition Rules of Motorsport UK apply as written, except that a) All competitors must walk each course before the timed runs start for that course b) No practicing will be allowed.
